INDEPENDENT AUDITORS' REPORT

**To the Board of Trustees
CHILDREN'S BRAIN TUMOR FOUNDATION, INC.**

We have audited the accompanying financial statements of Children's Brain Tumor Foundation, Inc., which comprise the statement of financial position as of December 31, 2016, and the related statements of activities, cash flows and functional expenses for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditors consider internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Children's Brain Tumor Foundation, Inc., as of December 31, 2016, and the results of their operations and their cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Report of Summarized Comparative Information

We have previously audited the Children's Brain Tumor Foundation, Inc. 2015 financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated November 1, 2016. In our opinion, the summarized comparative information presented herein as of and for the year ended December 31, 2015 is consistent, in all material respects, with the audited financial statements from which it has been derived.

Notes to Financial Statements

December 31, 2016
(With Summarized Financial Information
For the Year Ended December 31, 2015)

Note 1

Organization

Children's Brain Tumor Foundation, Inc. (the Foundation) was incorporated on December 13, 1988 under the Not-for-Profit Corporation Law of the State of Delaware. The Foundation has received authority to conduct activities in the State of New York under Section 1304 of the Not-for-Profit Corporation Law.

The mission of the Foundation is to improve treatment, quality of life, and long-term outlook for children with brain and spinal cord tumors through grants for research and support, education and advocacy for families and survivors.

Note 2

Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of Children's Brain Tumor Foundation, Inc. have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Comparative Information

The financial statements include certain prior-year summarized comparative information in total but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with generally accepted accounting principles. Accordingly, such information should be read in conjunction with the Foundation's financial statements for the year ended December 31, 2015 from which the summarized information was derived.

Cash and Cash Equivalents

For purposes of the statements of financial position and cash flows, the Foundation considers money market funds to be cash equivalents.

Property and Equipment

The Foundation records purchases of equipment at cost and records depreciation using the straight-line method over estimated useful lives of 5 to 10 years.

Net Assets

The net assets of the Foundation and changes therein are classified and reported as follows:

Unrestricted: Unrestricted net assets represent those resources that are not subject to donor-imposed restrictions.

(With Summarized Financial Information
For the Year Ended December 31, 2015)

Note 2

Summary of Significant Accounting Policies - continued

Net Assets

Temporarily Restricted: Temporarily restricted net assets represent those resources that are subject to donor-imposed restrictions as to use or arise as a result of unconditional promises to give which have not yet been received. When a donor restriction expires, that is, when a stipulated purpose restriction is accomplished or when a promise to give is received, temporarily restricted net assets are reclassified as unrestricted net assets and reported in the statement of activities as net assets released from restriction.

The Foundation commingles operating and temporarily restricted cash and investments to maximize income. Investment income (consisting of interest and dividend income), realized gains and losses, and unrealized gains and losses on investments has been reflected in the Statement of Activities.

Contributions

Contributions are reported at fair value at the date the contribution is received. Contributions are reported as temporarily restricted or permanently restricted support if they are received with donor stipulations that limit the use of the donations. Restricted contributions where the restriction is met in the same reporting period that the contribution is made are treated as unrestricted support.

Promises to Give

Unconditional promises to give (pledges), less an allowance for uncollectible amounts where applicable, are recognized as temporarily restricted contributions when the pledge is made.

Donated Goods and Services

Donated goods used for family support and donated professional services are reflected in the statement of activities at their fair value.

Functional Allocation of Expenses

The costs of providing the various programs and activities have been summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

(With Summarized Financial Information
For the Year Ended December 31, 2015)

Note 2 Summary of Significant Accounting Policies - continued

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America includes estimates that affect the financial statements. Accordingly, actual results could differ from those estimates.

Tax Status

The Foundation is exempt from Federal Income Taxes under Section 501(c)(3) of the Internal Revenue Code. The Foundation's tax exempt status is subject to review by the Internal Revenue Service.

Note 3 Concentrations of Credit Risk

The Foundation maintains various bank and money market accounts that at times may exceed insured credit limits. The Foundation has not experienced any losses in such accounts and believes it is not exposed to any significant credit risk with respect to such balances.

The Foundation has investments in money funds which are not bank deposits or F.D.I.C. insured and are not guaranteed by the brokerage house. The funds are subject to investment risks including possible loss of the principal amount invested.

Note 4 Investments and Fair Value Measurements

Investments are stated at fair value and consisted of the following at December 31:

	<u>2016</u>	<u>2015</u>
US Government Securities	-0-	-0-
Mutual Funds	46,170	92,487
Corporate Bonds	-0-	-0-
Equities	-0-	-0-
Other	<u>-0-</u>	<u>-0-</u>
Total	<u>46,170</u>	<u>92,487</u>

Purchases of marketable securities are initially recorded at cost; donated securities are recorded at fair value on the date of the contribution. Realized and unrealized gains and losses are recorded separately in the Statement of Activities. Investment fees have been netted against investment income in the Statement of Activities.

CHILDREN'S BRAIN TUMOR FOUNDATION, INC.

Notes to Financial Statements

December 31, 2016
(With Summarized Financial Information
For the Year Ended December 31, 2015)

Note 4

Investments and Fair Value Measurements - continued

The Foundation values its investments at fair value, based on prices provided to it by its custodian. In determining fair value, the highest priority is given to quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy are as follows:

- Level 1: Quoted prices (unadjusted) for identical investments in active markets
- Level 2: Other significant observable inputs (including quoted prices for similar investments, interest rates, credit risk, etc.)
- Level 3: Significant unobservable inputs

The following is a summary of the inputs used in valuing the Foundation's investments at December 31:

	<u>2016</u>	<u>2015</u>
Level 1	46,170	92,487
Level 2	-0-	-0-
Level 3	<u>-0-</u>	<u>-0-</u>
Total	<u>46,170</u>	<u>92,487</u>

The Foundation invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the Foundation's balance sheet.

Note 5

Promises to Give (Net)

The Foundation is affiliated with the Combined Federal Campaign (CFC), a workplace giving program for employees. Under the program, employees make pledges during the last quarter of the calendar year, which are then withheld from their paychecks during the following year, and subsequently remitted to the Foundation. The promises to give are recorded when the amount of the pledges are provided by CFC. At December 31, 2016 and 2015, the Foundation provided an allowance for doubtful accounts of \$9,699 and \$10,563, respectively for amounts not expected to be collected.

Notes to Financial Statements

**December 31, 2016
(With Summarized Financial Information
For the Year Ended December 31, 2015)**

Note 8

Operating Lease - continued

Beginning October 1, 2016, the Foundation changed offices within the same building which reduced the security deposit required to \$6,150. The monthly rental expense was reduced to \$4,100 per month. Unlike the lease at the previous location, the current lease agreement will not have additional utility or cost of living increase escalations.

Note 9

Subsequent Events

The Foundation's management has evaluated subsequent events through July 21, 2017, the date at which the financial statements became available for issuance.

**INDEPENDENT AUDITORS' REPORT
ON SUPPLEMENTARY INFORMATION**

**To the Board of Trustees
CHILDREN'S BRAIN TUMOR FOUNDATION, INC.**

We have audited the financial statements of Children's Brain Tumor Foundation, Inc. as of and for the year ended December 31, 2016 and have issued our report thereon dated July 21, 2017 which contained an unqualified opinion on those financial statements. Our audit was performed for the purpose of forming an opinion on the financial statements taken as a whole. The schedule of revenues, expenses and fund balances - temporarily restricted funds is presented for the purposes of additional analysis and is not a required part of the basic financial statements.
